Hancock Prospecting Games and Georgina Hope Foundation Championships

PBA had one swimmer at the Hancock Prospecting Games on the 9th to the 13th of April 2017. If this had been an Olympic Year Jade would have been swimming at the Olympic Trials. That is an incredible achievement for Jade to qualify for these games.

Jade Caverley 50m brst (53.80), 50m fs (43.91).

In the 50m breaststroke Jade swam a PB time, made a final and broke the SA record. Congratulations Jade.

Congratulations also to Max for being invited to officiate at the Hancock Prospecting Games.

At the Georgina Hope Foundation Championships PBA also had only one swimmer. On the 16th to the 23rd of April 2017 Jordan Muir swam at the national age championships.

Jordan Muir 100m bk (1.08.61)

It is an amazing effort for Jordan to swim at the GHF championships for the second year in a row. Jordan placed 38th in her 100m bk.

PBA & iSwim Time Trial

On the 31st of March PBA and iSwim held their first joint time trial. A number of PBA and squad swimmers swam to achieve PBs. The times over the next few time trials will be recorded to help all swimmers have base PB times. From then a point system will be in place rewarding swimmers for swimming PBs. Thanks to Keiran for organising the night and to all of the timekeepers who volunteered.

PBA swimmers at SAPSASA

PBA had four swimmers at SAPSASA on Thursday where they did extremely well. Eleni swam a PB in the 50 bk and made the final coming 8th. Sienna swam PBs and made finals in all three of her races and finished 5th in her 50 free and fly and 3rd in her 50 brst. Kelly swam a PB in her 50 free and made the final, finishing 5th and coming 3rd in her 50 brst final. Lochie W also swam PBs in all of his races and made finals finishing 4th in his 50 fly and brst and 3rd in his 50 free. Glad to see all the hard work paying off. PBA is very proud of you.

The three pennants were the performance pennant (point earned at div 1 competitions), development pennant (points earned at all selected meets) and the handicap pennant (average points per swimmer at selected meets).
